

## HAPPY CHILDREN.

How to Make Them so. Keep them in Health and They will Take Care of the Rest.

The joy of every well-regulated household comes chiefly from the children. Thousands of affectionate parents do not take care of their children. Through ignorance more than through culpable neglect they suffer them to fall sick and die, when knowledge might have saved them to love and home. Dr. David Kennedy offers his "Favorite Remedy" as an essential medicine for the children—gentle in its action, containing no harmful ingredients whatever, going straight to the blood, which, when impure, is the seat and source of disease. "Favorite Remedy" is the friend of childhood and should be found in every nursery in the land. Keep it in your house for your children's sake, as well as for your own. Try it and you will be glad you saw this article. Make no mistake. The medicine is "Favorite Remedy" and the proprietor's name address: Dr. David Kennedy, Rondout, N. Y. One dollar a bottle. Parties living at a distance, (except in surgical cases,) by sending a statement of their case can be treated at home.

## MANHOOD:

HOW LOST, HOW RESTORED!

Just published, a new edition of Dr. Cutler's "A Col-

lectral Essay on the radical

causes of Spermatorrhea or Seminal Weakness, In-

voluntary Seminal Losses, Impotency, Mental

and Physical Incapacity, Impediments to Mar-

riage, &c.; also, CONSUMPTION, EPILEPSY and

Trichomania induced by self-indulgence or sexual

exhaustion, &c.

The celebrated author, in this admirable

Essay, clearly demonstrates, from a thirty

years' successive practice, that the alarming

consequences of self-abuse may be radically

cured without the dangerous use of internal

medicines or the application of the knife; and

that, by means of which every sufferer, no

matter what his condition may be, may cure

himself cheaply, privately, and radically.

This Lecture should be in the hands of

every young man in the land. It is sent

under seal, in a plain envelope, to any

address, post paid, on receipt of six cents or

two postal stamps.
